

2019 MEADOWS WHITETAIL DEER BOW-HUNT

Welcome to another GREAT year of hunting with Dixon Park District
804 Palmyra Street Dixon, IL 61021
(815) 284-3306 e-mail: dixonpark2@gmail.com
www.dixonparkdistrict.com

Location

Ruth Edwards Nature Center
2114 Lowell Park Road, Dixon, Illinois

Registration is on Saturday, April 6, 2019

- Registration begins at 8:30 am. When you arrive, fill out the necessary paperwork before the drawing. **The drawing will begin promptly at 9:00 am.** At this time, the door will be locked, and individuals who arrive late will not be allowed to participate in the drawing until after the event has concluded.
- For those in attendance at 9:00 am, their names will be placed in a box. The first name drawn will have first choice, the second name will have second, and so on until no names remain. The drawing will continue in reverse order until all eligible individuals no longer seek an open session.
- When your name is called, there are a few options for registration:
 - one session for yourself
 - one session for yourself and a friend
 - one session for two absent individuals
- During each round, you may register for only **ONE** session.
- Additional sign-ups will be taken until orientation in September. **Orientation will be on Saturday September 7 and Thursday September 12.**
- There will be NO REFUNDS for this program.
- If you are unable to hunt your session, please notify the hunt coordinators.
 - Transfer of sessions between participating individuals is not allowed. No one shall hunt for someone else.

Orientation and Proficiency

Hunters must pass a proficiency test **every** year.

- For those who did not participate last year, you **must** attend the orientation and pass the proficiency test. Your orientation will be held inside Ruth Edwards Nature Center on **Saturday, September 7 and Thursday, September 12** after your proficiency test outside. **You are required to attend ONE of the TWO sessions.**
- Illinois now allows deer hunters to use a cross bow. **The weapon that you use for the proficiency test is the only weapon that you may use for the harvesting of deer in the Meadows.**

- For those who participated last year, orientation must be taken by previous hunters **every other** year. If you hunted last year and did not attend the orientation, you **must** attend this year. Your proficiency test must be completed on **Saturday, September 7 at 4 PM or Thursday, September 12 at 1:00 PM** outside the Ruth Edwards Nature Center.
- **You must test with the arrows and broad-heads you plan to use during your hunt. This is your notice; mark your calendar for September 7th or September 12, 2019. In past years we have allowed hunters to complete the orientation and proficiency testing at flexible times - do not expect that level of flexibility in 2019.**

Welcome and Rules

Welcome to the 2019 season of bow hunting offered through the Dixon Park District. Since its inception, this hunt has been modified and upgraded to assist in reaching two goals – the first is a safe, successful, and enjoyable recreational hunting experience for well-qualified and ethical participants; the second is to provide basic management of both the deer herd and the environment of Meadows Park.

With this in mind, park staff, bow hunt coordinators, and natural resource professionals have developed a program that rewards the hunter who assists in herd management while providing (1. Recreational Hunting; (2. Doe Hunting for meat & management; (3. Trophy Buck Hunting.

Hunting opportunities will be offered in three ways this season at the Meadows:

1. Proper herd management is our ultimate objective in the Meadows Bow Hunting Program. Harvesting mature does is a fundamental tool to reaching our objective. If you have the opportunity to harvest a mature doe, we ask that you do so. You are **limited to two does per year**.
2. One benefit of proper herd management is healthier, larger deer. During the bow hunting season, you are permitted to harvest **one** buck. All bucks harvested will be scored, and jawbones will be extracted to determine the age of the deer. The antlers must measure at least **140 inches gross at the minimum**. Hunters who harvest bucks under the minimum, including button bucks, will be required to pay a **\$200.00 donation** to the Meadows Bow Hunting Program. **Failure to pay will result in banishment from future hunts.** If you harvest an animal under 140 inches but feel it is at least 5.5 years old, we will send the teeth to be aged at your cost. If the animal is at least 5.5 years old, we will refund your aging fee and void your \$200.00 donation requirement.
3. Hunters interested in turkey hunting may harvest one legal turkey at no additional charge. You must have an Illinois Turkey License. Please call a hunt coordinator if you harvest a turkey.

Registered hunters must agree to abide by all additional rules listed below:

1. Hunters must have a valid Illinois hunting license and deer tags, and be at least 18 years of age.
2. Direct any compliments or complaints to Hunt Coordinators. They will consult the Park Director.
3. Hunters are allowed two portable tree stands or one tree stand and one ground blind. You will need numbered tags for your stands or blind. Oak, hickory, and walnut trees are off limits for screw-in steps or any apparatus that may damage a tree. You must place and remove your stands during your paid session. Tag your stands **before** entering the Meadows. **Stands left prior to or after your paid session will be confiscated.** Tag identification numbers must be recorded with hunt coordinators.
4. If a deer is shot and travels to adjacent private property, you must contact the Park Office or Bow Hunt Coordinator, and they will contact the property owners. Under no circumstances are you to enter private property; this includes Illinois Department of Corrections property.
5. Hunters must inform the Park District or a Bow Hunt Coordinator before removing their deer from the Meadows. We will be glad to assist in removing your deer from the Meadows if you need help. As part of the management program, we are aging all deer taken from the Meadows and will extract the lower front teeth from your harvest. Either Park Staff or Bow Hunt Coordinator(s) will inspect your harvested deer prior to leaving the Meadows to verify size, sex, and age. If spoilage is an issue, we will adjust for you. Thank you for your cooperation in managing the deer program.

Park Office.....(815) 284-3306 (*Mon. thru Fri. 9am – 4 pm*)
 Damian Considine, Hunt Coordinator.....(815) 288-3048 or (815) 973-4049
 Clyde Seeley, Hunt Coordinator.....(815) 973-6029

If you do not have a card with these numbers, please ask the office. Keep these phone numbers with you when you hunt.

6. If a hunter injures a deer or loses an arrow, he/she must contact one of the numbers listed above.
7. Registered hunters are the only authorized people allowed in the hunting area.
8. There is a limit of **nine** registered hunters per hunt session for all sessions except for the Nov 25 - Dec 31 session which will allow **ten** hunters to sign up. Authorized Park Staff and Coordinators may be in the hunt area at any time and may harvest deer for management and/or safety.
9. No one shall hunt for someone else.

10. **Hunting is a privilege; all hunters are expected to act ethically in all situations. No alcohol is allowed. We sincerely appreciate and thank the hunters who have been excellent role models in the past. You are representing the sport you enjoy.**
11. **Hunting of furbearers and predators is prohibited!**
12. Any hunter who is not in compliance with any and all rules and regulations, including rules and regulations of the Dixon Park District and State of Illinois hunting regulations, may be ejected without refund from this or any other program. **Please make certain that you are familiar with this program and with the boundaries before you register to hunt.**
13. By signing the registration form/waiver, you agree to abide by all rules and regulations.
14. If a rule violation meeting is called, all hunters that hunt that session must attend.
15. You must notify the Park District at marketing@dixonparkdistrict.com of all deer that are harvest. This is NEW for 2019.
16. NEW for 2019 - All hunters must display a window card provided by the Dixon Park District in their vehicle while hunting at the Meadows.

Thank you for supporting hunting in Illinois!

**▶▶▶ Hunters whose stands remain in the Meadows:
Stands not removed before April 7, 2020 will be confiscated by
Park Staff or Hunt Coordinators.**
